

Oakleaf Inspections

We will have technicians out at the property to inspect the Advance Stations and units on the following dates:

Monday, April 27th : Units 450 - 522

Tuesday, April 28th : Units 524 - 609

Wednesday, April 29th : Units 613 – 668

Homeowners will need to be available from 8:00 – 4:30 for the inspection of their unit if they are on a slab or have a garage.

If the unit is a crawl space without a garage the homeowner does not have to be present for the inspection if the crawl space is left unlocked.

Make-up inspection date: Saturday, May 9th

You will need to email Geneva Hembree notifying us that you are unavailable and need the make-up date.

*If your inspection is not completed on one of these dates, there will be a \$50 service call for your inspection.
